I KNOW THE PLANS  
I HAVE FOR YOU,  
DECLARES THE LORD,  
PLANS TO  
*Prosper*  
YOU AND NOT TO  
HARM YOU, PLANS TO  
GIVE YOU  
*Hope*  
AND A FUTURE.

# Welcome

WE ARE JACE AND JULIE!

Thank you so much for taking the time to read this. We have so much respect and admiration for you as you consider adoption—it's a deeply brave and selfless decision. Please know that we hold birth mothers like you in our hearts and prayers every day, recognizing the strength it takes to walk this path.

# ALL ABOUT *Jace*

Jace is 25-years-old and holds the role of middle child, with an older sister and a younger brother. He works as a driver for Pepsi Cola in our area. He is always offering a helping hand whenever someone needs it. In his free time, Jace enjoys the great outdoors—whether he's out hunting or spending a sunny afternoon on the golf course. He takes great pride in his home and yard, always striving to have the best-looking lawn on the block.

## ABOUT JACE

*by Julie*

Jace is truly the best person I could ever imagine doing life with. He's not only my partner, but my very best friend and a man of faith. We've walked through so much together as a young couple and through it all, he has remained unwavering and full of strength. He is my safe place, the person I can always count on, and the one who brings peace to my heart in every season. I know without a doubt that he will be an incredible father. His heart is full of love, patience, and quiet strength, and I can already see how deeply he will care for and support a child. Watching him step into fatherhood is something I look forward to with so much joy, because I know he will give everything he has to be the kind of dad every child deserves.

# ALL ABOUT *Julie*

Julie is 24 years old and the oldest of four siblings, including 21-year-old twin brothers and a 13-year-old younger brother. She comes from a large, close-knit family filled with grandparents, aunts, uncles, and cousins who gather often and create a strong sense of togetherness and tradition. That deep-rooted family connection has shaped who she is—caring, grounded, and full of love.

Professionally, Julie works as an Office Manager for a real estate office and also runs her own successful photography business, where her creativity and eye for detail shine. Outside of work, Julie loves spending time outdoors—whether she's planting flowers or working in her garden, taking peaceful walks, or diving into a new home project, she puts care and heart into everything she does.

## ABOUT JULIE *by Jace*

Julie is such a special woman—someone whose love, support, and care shine through in everything she does. She has a natural way of keeping things grounded and on track, and I'm constantly in awe of her strength and steadiness. I'm so proud of everything she's accomplished, especially with her photography business—she's incredibly talented and pours her heart into her work. One of the things I'll always be most grateful for is the way she cared for me during my kidney transplant and how she continues to be by my side, offering love and support every single day. Her presence is a true gift in my life. And when I think about her becoming a mom, I have absolutely no doubt she will be amazing—nurturing, patient, and full of the kind of love every child needs to thrive.
